

NEW RIVER BRIDGE DAY BASE COORDINATOR REQUEST FOR PROPOSAL (RFP)

The New River Gorge Bridge Day Commission (BDC) seeks proposals for a person or company to coordinate and manage B.A.S.E. jumping off the New River Gorge Bridge during Bridge Day. The BDC seeks the proposal at a time when the current coordinator's agreement with the BDC has expired or expiration is near.

A \$50.00 application fee (non-refundable) payable to the Bridge Day Commission with the B.A.S.E. Coordinator's proposal shall be submitted to the BDC by September 01 of the year prior to the next scheduled Bridge Day. The application fee is waived to the current B.A.S.E. coordinator.

The Management Plan shall include, but not limited to, the following:

- Experience organizing & managing large events
 - Parachute / B.A.S.E. jumping experience
 - Itinerary
 - Jumper Registration Process
- Specific information includes, but not limited to:
- Name, Address, DOB, SSN provided to the Sheriff of Fayette County prior to September 01 for the current year.
 - Number of parachute and/or base jumps made.
 - Maintain records of jumper's registration / liability forms for 3 years and allow the BDC access to them upon request.
 - Each jumper, staff member, or associate affiliated with the B.A.S.E. Coordinator shall have photo identification present at all times during the event.
 - The above information shall be submitted each year. Law enforcement reserves the right to run a criminal records check on every jumper each year, but may defer if persons have attended the previous year.
- Establish a communication plan in order to communicate with members of law enforcement and /or BDC members.
 - Exit Point plan including illustrations.
 - Landing Point plan including illustrations.

Minimum Requirements Required Upon Approval:

- Coordinate with BDC for jumper transportation.
- Coordinate with BDC for water and vertical rescue.
- Coordinate with BDC for medical treatment involving participants.
- Coordinate with BDC in regard to security and public safety issues for the event.
- Have on site jumper / staff information available to law enforcement or BDC in the event of an incident.
- Coordinate with BDC and National Park Service (NPS) to establish landing area and exit point, including visual aides to illustrate. All B.A.S.E. jumps will be from the designated exit area, top of the bridge only.
- Coordinate with the BDC and Division of Highways (DOH) in regard to any equipment used on and around the bridge.
